

A man in a green STIHL work vest and pants, wearing safety glasses and ear protection, holding a STIHL leaf blower in a garden. The background is filled with lush green foliage and trees.

**STIHL**

## **QUICK AND EASY CLEANUP**

---

It's lightweight, compact design features a fuel-efficient engine, tool-less air filter access and an upright fuel tank for easier filling.

### **BG 50** **PETROL HANDHELD BLOWER**

|                             |                       |
|-----------------------------|-----------------------|
| Displacement                | 27.2 cm <sup>3</sup>  |
| Weight <sup>1)</sup>        | 3.6 kg                |
| Blowing force <sup>2)</sup> | 13 Newtons            |
| Max. air throughput         | 730 m <sup>3</sup> /h |
| Max. air speed              | 71 m/s                |
| STIHL engine                | 2 Mix                 |
| Vacuum function             | -                     |

### **BG 86** **PETROL HANDHELD BLOWER**

|                               |                       |
|-------------------------------|-----------------------|
| Displacement                  | 27.2 cm <sup>3</sup>  |
| Weight <sup>1)</sup>          | 4.4 kg                |
| Blowing force <sup>2)</sup>   | 15 Newtons            |
| Max. air throughput           | 810 m <sup>3</sup> /h |
| Max. air speed                | 76 m/s                |
| STIHL engine                  | 2 Mix                 |
| Vacuum function <sup>3)</sup> | Yes                   |

### **BR 420** **PETROL BACKPACK BLOWERS**

|                             |                         |
|-----------------------------|-------------------------|
| Displacement                | 56.5 cm <sup>3</sup>    |
| Weight <sup>1)</sup>        | 9.1 kg                  |
| Blowing force <sup>2)</sup> | 19 Newtons              |
| Max. air throughput         | 1,260 m <sup>3</sup> /h |
| Max. air speed              | 95 m/s                  |
| STIHL engine                | 2 Stroke                |
| Vacuum function             | -                       |

1) Weight excluding fuel, fully assembled  
2) Combination of air speed and air throughput  
3) Retrofittable (accessory)
